

The Safety and Security Committee met on October 15<sup>th</sup> at the lodge. We discussed the police levy and decided what we were going to do to promote it. The committee has been putting signs out in yards and Kevin has been putting them in the rec-areas. We are also going to be at the Halloween walk giving out info and answering questions. Dave Foreman will be handing out info at the quarter auction. Also the day before the general election November 2<sup>nd</sup> several of the members of the committee are going to be at all three gates handing out info for it, hoping that it will get their attention right before the election. There still seems to me that a large amount of the population here in Lakengren still do not know about the levy or have heard about it but do not know what it entails. So hopefully with all that we are doing it will help more understand what it is and how it will help.

Our next scheduled meeting will be on November 19<sup>th</sup> at 5pm at the lodge. Also right after the meeting there is going to be a CERT meeting according to Charlie Moore.

Thank you,  
Deron McEldowney (vice-chair)
