

Safety and Security Committee Report

April 15, 2010

The Safety and Security Committee met and talked about several things. We all agreed that Deputy Caplinger was making a big difference here and hope things keep going well. Gerald Estes thanked everyone that helped with the Easter Egg Hunt and said that it was a success again this year.

There was some discussion on the safety of the lake concerning Jet Ski's and their operation. We also talked about the new radios that we have and some adjustments that need to be made to make them better it is being looked into.

We looked over a revised Dress Code for security seeing that we will have new uniform shirts, and made a couple of changes that will be brought to the board for their approval after some adjustments are made to it. The next meeting will be on May 20~ at 5pm at the lodge for anyone wanting to come.
