

DVD DRIVE

My name is Kassidey Jenkins. I live in Lakengren, but I go all the way to Cincinnati Children's Hospital because I get sick. I have CF, which is a lung disease. We (the patients) need to stay busy all the time, but there is not much we can do to stay busy. We watch movies but, they do not have many to pick from. We need movies to watch and games (like Wii and X-box) to play. If you can help me do this DVD Drive, we will pick them up at the LPOA office (or guard house) at any time. Please no R rated movies. We can only watch G to PG-13 movies.

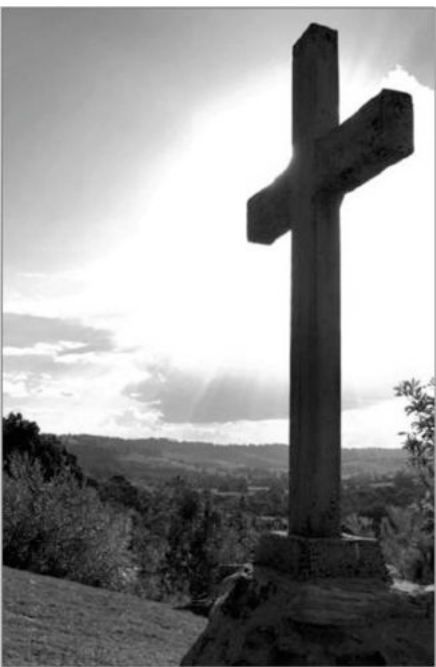

(Editor's note: Kassidey addressed the LPOA Board and was given permission on March 14, 2011 to conduct this DVD Drive.)

THANK YOU!

The Preble County Art Association would like to thank everyone who helped make the Rosie McNeese Tribute Exhibit and Auction a huge success. Rosie's family, and in particular her sister Pat Duke, have been very generous with the time and effort it took for this event to do so well. Special thanks must also be given to auctioneer Bob Roach of Country Mile Realtors who conducted the auction at the Preble Fine Arts Center. He generously donated to the Arts Center his commission on a watercolor of Eaton High School owned by the PCAA. He also donated his services to move to the Arts Center items left to the PCAA by Rosie.

The PCAA would also like to thank the local community for its support during the Rosie McNeese Tribute Exhibit and Auction. It was one of our most popular exhibits, and we loved hearing all the wonderful stories about Rosie. The turnout for the auction was even better than expected, and we were pleased to see so much local interest for such a talented local artist. Additionally, the raffle fund raiser for Rosie's prints was our most successful raffle ever. The PCAA and the Fine Arts Center receive no public funding and it is because of the generosity of the community that we are able to remain open to the public and can offer exhibits free of charge. Thank you for your support!
