Your Story:

'I volunteered for the Draft in August 1967 with two buddies because we knew we wouldn't be able to get a good job, with the Vietnam War going on until our service obligation was fulfilled. I graduated school in June 1967 and was in Basic Training at Fort Benning Ga. in the fall and Advanced Individual Training at Fort Sill Oklahoma and shipped out to Vietnam on February 16, 1968. I was at the ripe age of 18. I served with the Big Red 1, (1st inf. Div) for the first 6 months and then with 1st aircav and the 11th armor cav. I came home on February 16, 1969. I am currently a Veterans Service Commissioner for Preble County and would like to invite any Veteran, or their Spouse to contact the Preble County Veterans Service Office, if they are in the need of assistance of any kind. 108 N Barron St., Eaton, Ohio 45320 - (937) 456-6111'
