

## Hello Lakers

By Andrew Gaydosh

The Fourth of July holiday is approaching and we at AG&A are finalizing our plans for the Fireworks on Saturday, July 2nd. As many of you already know, we are going to have a similar format as in years past. Josh Garrett will be playing at the water's edge on the Wagner's property before and after the fireworks show. We will be having a party at our house after, so come on down and check out the new Tiki Hut.

In the years past, Lakengren has invited OWD to come in our community and visit the lake for the day. We do this for insurance purposes. This year they will be coming in on Friday, July 1st. Please make sure you have your state registration up to date and have all your required safety items. A few of the items you will need are: A distress signal (orange flag), and (sound device whistle or air horn), a throw device like a cushion or life preserver, enough life preservers for everyone on the boat, and a fire extinguisher. Remember to make sure your guests are of age to operate your boat or PWC. One of the most common tickets that they have given in the past are those to kids under the State required age, driving PWC's without the proper boating course certification. I hope everyone has a great weekend and we hope to see you on the lake this weekend.

Thank you. Andrew Gaydosh, Better Homes & Gardens Real Estate, [www.AndrewGaydosh.com](http://www.AndrewGaydosh.com), [www.Lakengren.com](http://www.Lakengren.com), 937-305-9570.

*One very proud Lakengren resident Peggy Simmons caught a Crappie measuring a whopping 17 1/4 inches here in Lake Lakengren. Of course, Captain Tim needs to take some credit as he navigated the boat into the perfect location; in anglers terms "He put her right on it." In addition, for those inquiring where she caught it and what she caught it with, her reply is "In the mouth with a hook."*

## It's Jack Block Fun Day Again

The Dragons Annual Jack Block Fun Day to be held July 23, 2011 from 12 Noon to 4:00 p.m. is ready to roll. There will be boat rides, kids games, a dunking machine, cake walk, Gasper Fire Department display, pony rides, petting zoo, hot dogs, ice cream, balloon twisting by a clown, storytelling, corn hole tournament, watermelon eating contest, and much, much more.

Check out the DJ, who will be tempting your ears with a gamut of music choices from classic rockers like ZZ Top and Steely Dan to modern rockers like the Sick Puppies, or just a little bit of country like Brad Paisley or Kenny Chesney. Plus the Dragons assures us there will be plenty of parking and "parkers." See you there..
