

# Safety and Security Report

The Safety and Security Committee met on September 17<sup>th</sup> and discussed the boat fines recommendation that was to be looked at by the Policy Committee.

We spent most of the meeting discussing the upcoming Police Levy, and how we could help promote it. Paul and I came up with a list of questions and answers that many people will probably ask, and some facts were also included. This list will be in the next two issues of the Viking. There are several events in October that we are going to use to give out information so that the residents have a better understanding of what they are going to get with their tax dollars. The Annual Meeting, the spaghetti dinner at the fire house, the Halloween walk for the kids are just to name a few times that we can get info out to the public before the election date. **We are also going to have a Police Levy Workshop on September 29<sup>th</sup> at 5:30pm at the lodge to get some of the ideas into action.**

The CERT team in Preble County has just been notified that the Health Department needs our help for the upcoming swine flu shots. The CERT members will help the department with traffic flow, sign-up and possibly other issues, **but will not administer the shots.** The members are asked to use the sign-up sheet that was mailed to them for the days that they can help.

Our next scheduled regular meeting is on October 15<sup>th</sup> at 5:30pm.
