

Garden Club Announces Winners

By Janet Davis

During mid August, a versatile committee visited throughout Lakengren peeking at street-side flower beds and back yard sanctuaries to find some astounding garden nooks and spacious formal gardens.

This year's 2011 selections have already been notified and the Garden Club Award signs were set. Now that, in itself, was hard to accomplish because the dry weather has turned the Lakengren soil into ready-made concrete, of sorts.

The committee narrowed the field down as follows: Carol Baughton, 99 Saxon Drive; Verna Fellsburg, 794 Mariner Drive, and Charlie & Sarah Moore, 703 Brande Drive.

Honorable Mentions went to 734 Brande Drive, 741 Brande, and 746 Brande. 888 Haugesund Cove, 355 Longman Road, 36 Shield Drive, 178 Fiord Drive, and 741 Swedish Cove. 136 West Lakengren Drive, 160 W. Lakengren, 245 West Lakengren, 241 West Lakengren, and 184 West Lakengren. 737 Lakengren Cove, 745 Lakengren Cove, and 697 Lakengren Cove. 661 East Lakengren Drive and 822 Varde Drive.

The Lakengren Garden Club wishes to congratulate those selected and all the other homeowners within our community for creating an eye-pleasing oasis for all by making their yard a "Work of Art."
